Dear Colleagues,

Notice is hereby given for the **Stated Meeting** of the Presbytery of Southern New England to be held on **Wednesday, November 18, 2020**, at **5:30 p.m.**, via **Zoom teleconference**. We will worship together, further our conversations on anti-racism, meet and receive candidates for ministry, and receive reports from officers, committees, and other entities.

Materials for the meeting will be posted no later than one week before the meeting on the Presbytery's web site: <https://psne.org/meetings/meeting-materials/>.

In an effort to make efficient use of our time together, the Roundtable has asked me to allot time in the draft docket only for those items requiring consideration and discussion by the presbytery. When you review the meeting materials, please take time to read through the consent motion, as I anticipate there will be important but routine items for action included here. An item may be removed for discussion during the meeting upon the request of any member of the assembly at the time the consent motion is presented.

In addition, reports that do not contain action items will not be presented as part of the docket, so do take the time to read the written information provided, and direct your questions to the chair of the committee in question.

Yours in Christ,

Rev. David A. Baer, Stated Clerk
