

Nominations Committee
Presbytery of Southern New England
February 16, 2022

For Information:

As described previously, the work of the Nominations Committee often continues right up until the date of a Presbytery meeting. If you would like to ensure you have the most current Nominations information, you are always encouraged to check the Presbytery meeting materials website throughout the week leading up to the meeting, as edits are sometimes made even up to the day of the meeting itself.

For Action:

The Committee places in nomination the following persons for election by the Presbytery:

Co-Chair of Roundtable:

- Rev. Jason Santalucia (TE, Brookfield: Valley) class of 2022 (completing a vacancy in the current Co-Chair term)

Committee on Preparation for Ministry

- Rev. Richard Crocker (Honorably Retired), class of 2024

Committee on Preparation for Ministry

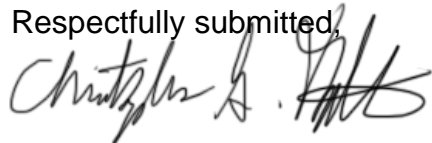

- Rev. Dr. Scott Herr (First: New Canaan), class of 2024

Young Adult Advisory Delegate to the 225th General Assembly

- Skyler McDonnell (First: Stamford)

Please note: The Roundtable has already appointed Skyler to this position, through the authority granted them by the PSNE By-laws; the Presbytery is merely being asked to ratify this appointment, in this instance.

Respectfully submitted,

Christopher Tate, Chair
