Note: The Bylaws of the Presbytery of Southern New England provide as follows (Section 2.2):

Each church which is a member of Presbytery shall be entitled to be represented in Presbytery by two (2) ruling elders elected to serve as Elder Commissioners. Churches reporting a membership of 1,000 or more at the end of the prior calendar year shall be entitled to be represented in Presbytery by three (3) elected Elder Commissioners.

When the number of resident ministers entitled to vote in the presbytery is greater than the number of elders so entitled, the imbalance shall be redressed in the following manner. Each year the Stated Clerk shall invite the sessions of a number of the particular Churches of the presbytery to designate one additional elder to serve as a Commissioner, such that there is a balance of elders and ministers entitled to vote. The Stated Clerk shall issue such invitations from year to year in such a manner that all of the particular Churches of the presbytery are afforded an opportunity for additional representation with equal frequency. In determining the number of additional elder commissioners required, the Stated Clerk may consider the attendance of minister members at meetings of the Presbytery.
