

Report of the Personnel Committee  
to  
Presbytery of Southern New England  
November 19, 2023

Grateful for his service, it is with heavy hearts that the Personnel Committee recommends on behalf of the Roundtable

that the Presbytery act to dissolve the call between itself and the Rev. David Baer as its Stated Clerk, effective January 18, 2023.

Rationale:

David has accepted a call to serve as Stated Clerk of National Capital Presbytery and has requested us to take this action.

Going forward, the Personnel Committee plans to undertake the following—

- Conduct an exit interview with David
- Ask for his input on the current position description for the Stated Clerk and develop a new description based on his input and the presbytery's current needs
- Recruit a search committee
- Report back on the above to the Roundtable at its December meeting

There will be a celebration of David's ministry among us on Wednesday, January 18, 2023 at Westminster Presbyterian Church, West Hartford from 4-6 PM. Please save the date!
