

# **Commission on Preparation for Ministry**

*Presbytery of Southern New England*

February 15, 2023

## **Information items**

Since the last Presbytery meeting:

1. The Commission met on January 24, 2023. Since not meeting for a few months, the commission discussed the process and well-being of each student under care. We also planned our meetings for 2023. It was decided to hold more meetings for a shorter period of time on Zoom only unless we have a student applying Certified Ready to Receive a Call and then we will meet in person. We also reviewed the Statistical Reports on the CLC website with numbers of those seeking a call, positions available, and how to advise our students with this new changing church environment.

2. The Commission met on February 14, 2023 and held Annual Consultations for Candidate Yejee (Rachel) Park (New Haven Korean: Hamden CT) and Candidate Kirk Louis (Providence Presbyterian: Providence, RI).

3. Currently under care of the Presbytery are 1 Inquirer, 6 Candidates and 3 Candidates Certified Ready to Receive a Call.

4. The committee's next meeting is March 7, 2023.
