

The Personnel Committee continued to meet over the summer months and spent time revising the Personnel Handbook. It is in the meeting documents for your review and vote at this meeting. This is an update to an existing policy manual of the Presbytery and so does not require a first and second reading, just a vote for this update. Jason Santalucia will be at the meeting to answer questions.

The Committee is working on a performance review process to be conducted over the next month and a half with all staff, and to work with them to set goals for 2026. Over the summer we also worked with the budget team.

We welcomed a new member to our team, Elder Ross Ogden, from the Greenwich congregation.
