If you are interested in learning more about our committees and where your gifts might best fit the needs of our Presbytery, I invite you to contact me at 860-839-4260 or [nmachampagne@gmail.com](mailto:nmachampagne@gmail.com). Some times we have wonderful volunteers, but we aren't able to utilize them immediately because we are looking for different gifts or trying to balance the committees in some way. But, I encourage you to contact me and explore the possibilities.
