

Roundtable Report
June 17, 2026

(Note: This is a revised version of the Roundtable Report, updated on 6/17)

FOR ACTION:

1. Roundtable **moves** that PSNE suspend its bylaws, for the purpose of electing the Stated Clerk to a term of 3 months.
2. The Presbytery of Southern New England and the Presbytery of Boston jointly recommend that we continue the current terms of call of Stated Clerk Rev. Kate Carlisle 3 months so that the Presbytery of Southern New England can address some of its administrative processes and internal policy issues.
3. The Roundtable **voted** to elect Michael Ofori (Hartford) as a Young Adult Advocacy Delegate to the 2026 General Assembly. The Roundtable would like the Presbytery to ratify this election.

FOR INFORMATION:

While it was not initially deemed necessary to make the same motion as the Presbytery of Boston, after further consideration, the Roundtable decided it was prudent to attempt to eliminate potential complexities of PSNE's motion not aligning with that of our partner in this endeavor, and voted to make the motion (motion 2) in this report to PSNE, instead.

Respectfully submitted,

Chris Tate and Janet Wade-Utay
Roundtable Co-Chairs
